model: 9MDKDL – 8133A

hours: 2,436 as of 8/15/26

size: 9kw

Boat Highlights

*****U.S. flagged and import duty is paid!***** The Bali 4.2 Open Space “Tamboo” is well equipped for comfortable and efficient coastal cruising including upgraded U.S.C.G approved fire safety systems throughout. The 4.2 is coveted for it’s “open space” design light filled salon and spacious galley with a front door and window opening directly onto the forward solid foredeck dining and lounge areas. Additionally, the Bali signature aft opening door creates an amazing breeze and feeling of being at one with the surrounding environment.

Tamboo is actively engaged in charter management and earning income to offset expenses of ownership - Try it before you buy it! Purchase the existing LLC, website, social media and advance reservations for a seamless transition. You can immediately take advantage of lower carrying costs, depreciation, and other tax write offs. As an owner of this “boat as a business” you can use your asset as often as you like and some portion of your travel and use may be tax deductible.

Tamboo is based out of Marsh Harbour Bahamas. Sailing in the Sea of Abaco offers many amazing routes and anchorage opportunities and most all areas are within protected waters for stress free sailing adventures.
